"Caring - Our Way of Life"

About the Empire Key

The Empire Key is the official publication of the New York District Key Club. According to the New York District Bylaws, this publication is released four times each year (Summer, Fall, Winter, and Spring). This publication allows Key Clubbers from all over our District to be informed of what goes on in the District and International levels of Key Club, to be introduced to the leaders of our organization, to learn more about the various projects and service opportunities available to members of Key Club International, and to share ideas and service projects between different clubs throughout our District.

Authors of the Empire Key

One of the jobs of the District Editor is to publish the Empire Key. The articles in this publication are written by members of the District Board, the International Board, and Key Club members from different clubs. One of the favorites of Empire Key readers is the "Service Spotlight" section, which has articles contributed by Key Clubbers who wished to write an article to spotlight successful service projects that they'd like to share with other Key Clubbers. For more information, see below.

How to subscribe

When the Empire Key is published, it is first sent through the New York District Electronic Mailing List. Please visit our website at www.nydkc.org to sign up. In addition to receiving the Empire Key, you will be receiving the Governor's Notebook (Governor Allen's monthly publication) as well as other valuable updates and resources from the New York District. The Empire Key will also be available online in "Publications" under the Resources section of our website.

Service Spotlight submissions

Every so often, you may come home from a really exciting and fun project and would love to share it with the rest of the District. By sharing this experience, you are not only giving people an inspiration for a project idea, but you may also be published too!

You will find a form for your submission on the Resources section of our website. Download this form, fill in all the information, and attach that with your article and some pictures to service@nydkc.org and your submission may appear in the next issues of the Empire Key, on our website, or in the future editions of the Governor's Notebook!

Plus, entering your submissions will earn your club the Outstanding Service Award! (For more information, visit our website). We look forward to hearing from you!

GOVERNOR ALLEN YU

New York District Key Club 2009-2010
